BUILDING ON THE SUCCESS OF UNSTOPPABLE BHARAT 2025

INVITATION

You are cordially invited to **Unstoppable Bharat 2026**, a national thought-leadership conference organised by The Alternate Media.

This conference brings together leaders, policymakers, experts, and thinkers to discuss India's journey towards strength, self-reliance, and global leadership.

Theme: Swayambodh

Dates: 14–15 March 2026

Venue: Dr Ambedkar International Centre, New Delhi

We look forward to your presence and participation. This brochure is also a follow-up to share highlights of our previous edition and give you a clear view of what to expect in 2026.

ABOUT UNSTOPPABLE BHARAT 2026

Unstoppable Bharat 2026 is a national conference focused on India's rise as a confident, secure, and globally influential nation.

The discussions will focus on:

National security and internal stability

Governance and policy reforms

Economic strength and resilience

Culture, identity, and youth aspirations

India's role in a changing global order

The conference aims to encourage serious, fact-based dialogue that supports nation-building and informed public understanding.

The Unstoppable Bharat Conference at the Constitution Club of India enabled engaging discussions with policymakers, influencers, and changemakers on the road ahead for Viksit Bharat 2047. The depth of dialogue and shared commitment to a self-reliant and prosperous India were truly encouraging.

— **Vinod Tawde**, General secretary of Bharatiya Janata Party

ABOUT SWAYAMBODH

The theme “Swayambodh” reflects Bharat’s journey of inner awakening, from civilizational self-realisation to confident national resurgence.

Civilizational self-awareness builds national confidence

Cultural consciousness strengthens civilizational unity

Clarity of thought restores Bharat’s rightful global stature

Awakened youth shape Bharat’s civilizational future

The sessions will explore how awakening, responsibility, and rooted leadership together make Bharat truly unstoppable.

WHO WILL ATTEND

Unstoppable Bharat 2026 brings together:

Senior policymakers and government leaders

Defence and security experts

Strategic thinkers and public intellectuals

Legal, economic, and policy professionals

Media and opinion leaders

This diverse participation ensures balanced discussions, practical insights, and meaningful outcomes.

UNSTOPPABLE BHARAT 2025 CONFERENCE HIGHLIGHTS

WHY UNSTOPPABLE BHARAT MATTERS

India's rise as a confident and globally influential nation requires serious, informed public dialogue.

Questions of governance, national security, economic strength, and constitutional values demand discussion rooted in facts, policy, and long-term national interest.

Unstoppable Bharat is a national platform created to enable such dialogue.

The conference brings together policymakers, experts, and public intellectuals to examine key national priorities through structured, policy-focused discussions, free from sensationalism and short-term narratives.

By encouraging depth, clarity, and responsible engagement, Unstoppable Bharat contributes to credible national discourse and informed public understanding.

Fact-based national dialogue on governance, security, and policy

Serious, policy-focused discussions beyond headlines and opinions

Credible platform connecting experts, policymakers, and the public

This is not just a conference. It is a commitment to strengthening India's intellectual and democratic foundations.

ABOUT THE ALTERNATE MEDIA

The Alternate Media is a YouTube-first digital media platform focused on fact-based analysis of:

Governance and public policy

National security and defence

Economy, law, and geopolitics

Culture and national issues

The Alternate Media
Questions Unasked

PLATFORMS: YOUTUBE, X, TELEGRAM
ACTIVE SINCE: 2020

I founded The Alternate Media to contribute to a more informed public discourse. In an increasingly complex global environment, the platform explains geopolitics, governance, and national issues with clarity, context, and facts. This is a long-term commitment to strengthening India's voice through responsible analysis and dialogue.
